**W**ith your busy life, it can be hard to stay on top of your family's health care — even though it's the most important thing of all. **Our online patient portal allows you to communicate with us easily and safely — according to your schedule.** Using your own secure password, you can log into the online patient portal 24 hours a day, 7 days a week from the comfort and privacy of your home or office.

#### **WITH OUR PATIENT PORTAL SERVICE YOU CAN:**

- View and request appointments
- Retrieve test results
- View personal health information
- Update demographic information
- View your billing statements and balance
- Make secure credit card payments
- Browse health facts and information

We offer the online patient portal to help you **save time, avoid playing phone tag with your doctor, and stay educated about ways to keep your family healthy and safe.**

You can register for the online patient portal in our office or online by visiting [www.upperhandortho.com](http://www.upperhandortho.com)
